

arm
Research
Summit

Welcome

Jonathan Beard
16 September 2019

Welcome to Austin, Texas!

- Thank you for attending the 4th annual Arm Research Summit
The first ever held in the US

This year's program features:

- 3 keynote presentations
- 2 plenary panels
- 84 talks on 3 parallel tracks, with 
- 47 posters, with 
- 4 workshops (each with multiple talks per workshop)
- 2 birds-of-a-feather sessions
- 3 area meet ups

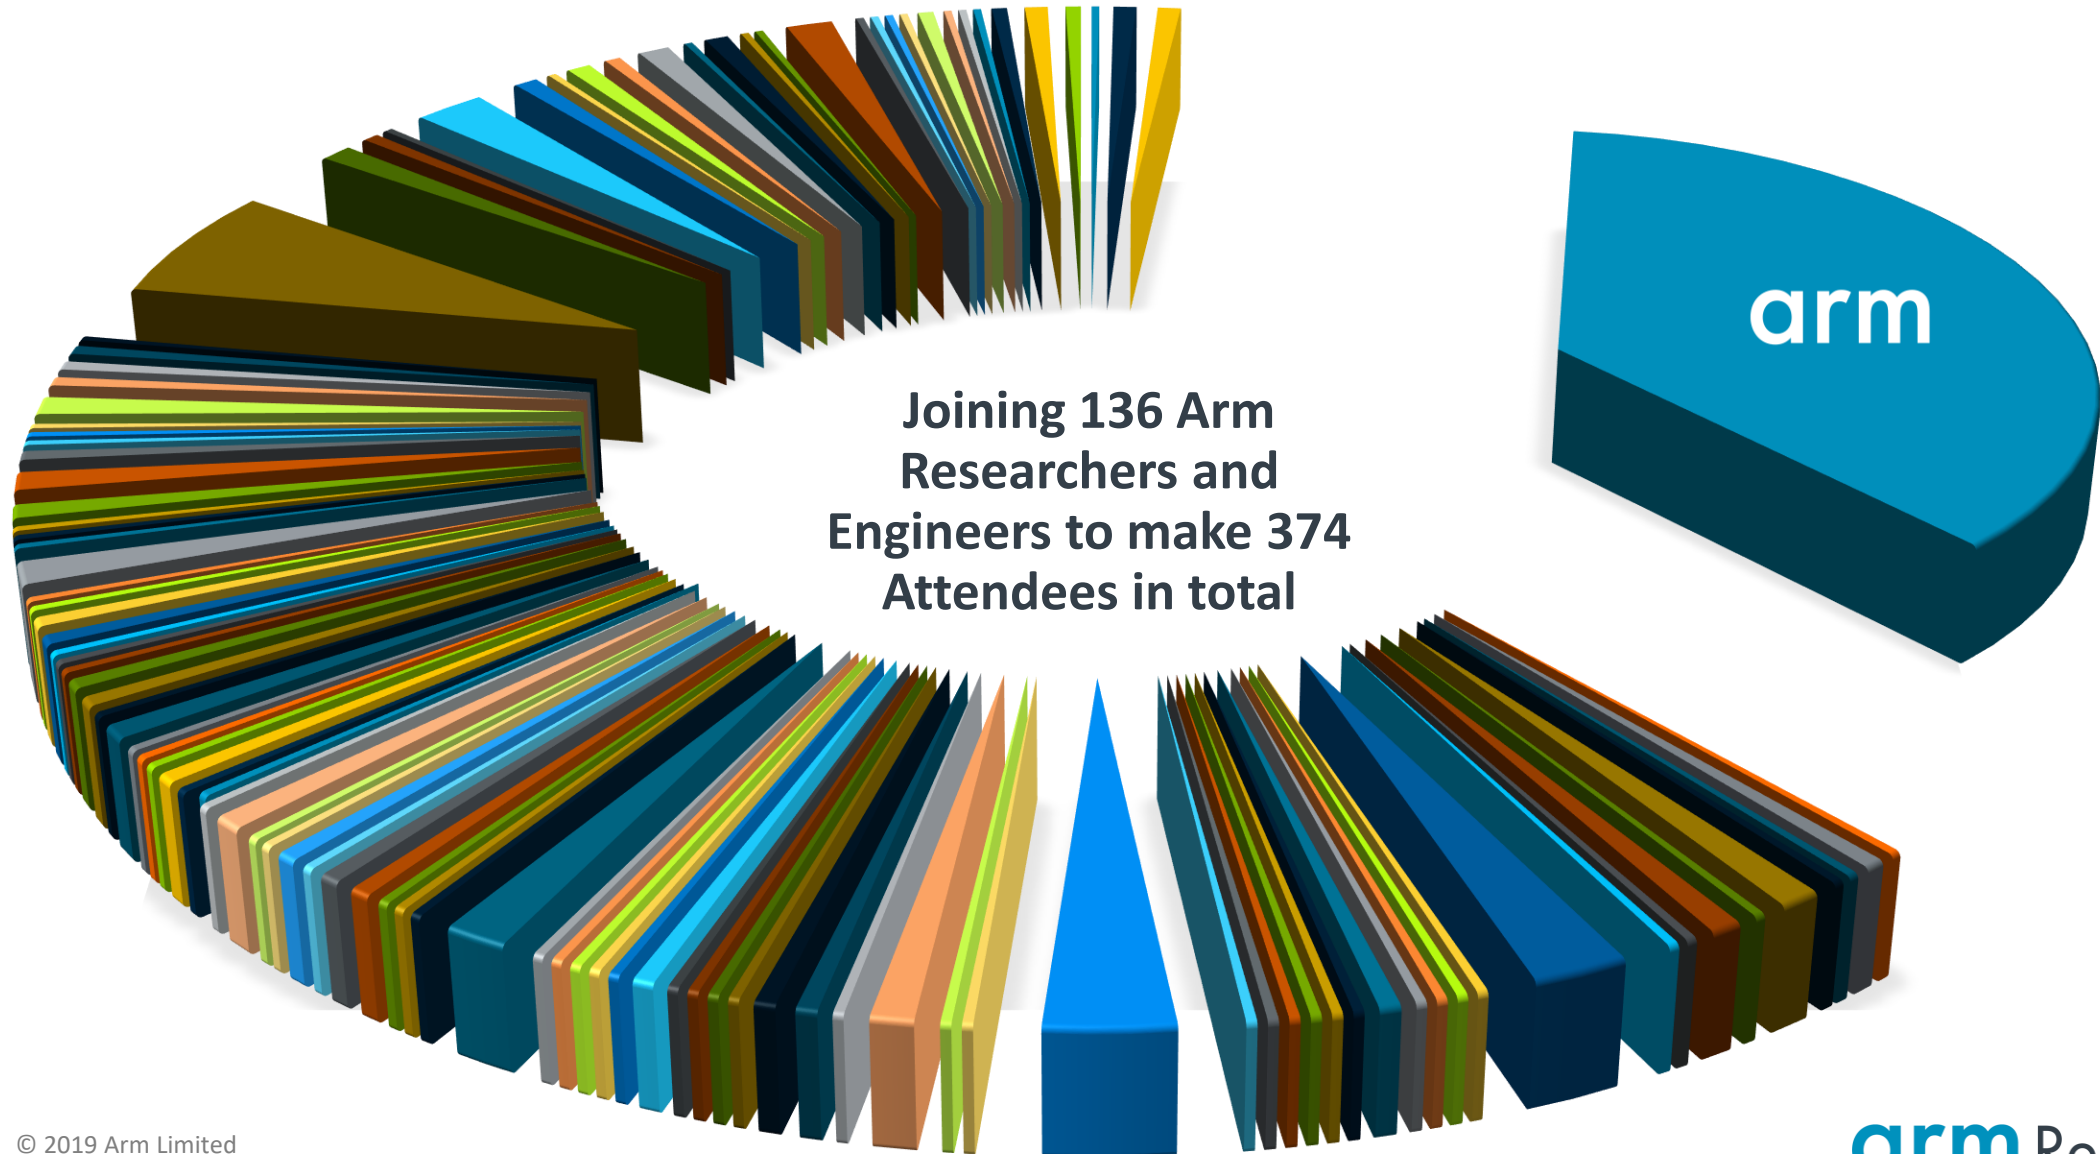

Logistics, announcements

- The WiFi code is on the back of your badge, “**arm19**”
- Inside your badge holder is a schedule and QR code to a detailed program.
- Need help, see the registration desk (on 3rd / Ground floor)
- If you have questions about Arm or Arm Research, we’ve a help desk for that too (on 3rd / Ground floor)

Why does this matter?

Requests from the Conference Chair

Find new people, introduce yourself, say hello. Tell them about your work, ask about theirs.

Requests from the Conference Chair

Find new people, introduce yourself, say hello. Tell them about your work, ask about theirs.

Introduce somebody new to your network.

Requests from the Conference Chair

Find new people, introduce yourself, say hello. Tell them about your work, ask about theirs.

Introduce somebody new to your network.

Don't be afraid of asking questions.

Requests from the Conference Chair

Find new people, introduce yourself, say hello. Tell them about your work, ask about theirs.

Introduce somebody new to your network.

Don't be afraid of asking questions.

Do have fun!

Thank you
